Subject: Cultural Resource Management Workshop

DD: 4/13/06

The Montana State Office and the Dillon Field Office will host the annual cultural resource workshop starting at 8:30 a.m. on May 16, and ending at 5:00 p.m. on May 17. The workshop will be held at the Dillon Field Office.

This is our annual meeting to take stock of the program and to review issues and discuss new directions for the cultural resource management program. The target audience is Cultural Resource Specialists, supervisors, Field Managers, and the State Historic Preservation Office (SHPO).

We have attached a draft workshop agenda. Please review and submit any comments to (MT-924) by April 13, 2006.

If you plan on attending the workshop, please respond by the due date and identify, by name, intended participants. Space is an issue at the Dillon Field Office so we need an exact head count. If you have any questions about the workshop, or have comments on the agenda, contact Gary Smith of my staff. Gary may be reached at 406-896-5214.
